

GREASE MULTIS EP3

VECO Multis EP 3 is designed for the lubrication various applications in all types of operating conditions, but particularly where the operation temperature is high and the use of conventional lithium greases is limited. IVECO MULTIS EP 3 is a true multipurpose grease, formulated for lubrication of roller-bearings, wheel bearings, universal joints. chassis, and various shock loaded or vibrating applications in transport, agriculture and off-road vehicles. Suitable as general-purpose grease for industrial applications requiring a EP 3 grade Extreme Pressure grease. resistant to elevated temperatures.

CHARACTERISTICS:			
No	Typical Properties	Method	Results
1	NLGI Grade	ASTM D217	3
2	Color	Visual	YELLOW
3	Appearance	Visual	Smooth
4	Operating Temperature range, °C	-	-20 to 160
5	Four ball weld load, daN	DIN 51 350-4	280 - 300
6	Penetration @ 25°C, 0.1 mm	ASTM D217	265 - 250
7	Dropping point, °C	IP 396/DIN ISO 2176	NON DROP
8	Kinematic viscosity of the bas oil @ 40°C, mm ² /s	ASTM D445	165

All stated physical properties are typical of standard production and may vary.
